▶ Brief history of Thailand

Thailand always have good kings and every kings are under the law. For example King Bhumibol, he does many things for his people and he thinks many project for improve people's life.

▶ You will do during the second half of this semester

I will go to another province in Thailand maybe Chantaburi province. I will go there with my family because my oldest sister is going to there for her life (she will get married). So my family and I want to know that if she go there how's her life. I hope Chantaburi have many good place to go.
